Anthony,

As an agency, we stay in compliance with SB 54 requirements. We personally do not deal with immigration issues in our jurisdiction. Our job is to enforce local ordinances and state law. We will continue to provide the same services we have been while complying with SB 54. While this may be a hot topic on the national level, we have had no discussions as to the impact of this given the lack of immigration enforcement that has not been present in our jurisdiction in the last several years.
